Beloved Children of My Heart:

God bless you this Holy Time when Heaven and Earth join together in the joyous process of redemption of the Sweet Earth and Her attendant evolutions. It is My Joy and Honor to present to you the words, radiation and blessings of Beloved Helios and Vesta, the Sun God and Goddess of the planetary system wherein you now abide; as well as the instruction of the Planetary Silent Watcher of the Earth, Immaculata, the Divine Being known as Directo (Who directs the Builders of all constructive forms in, through and around the Earth), the Blessed Lanto, previously the Hierarch of the Rocky Mountain Retreat, and the Beloved Confucius, present Hierarch of this Temple of Precipitation of God's bounty of every good and perfect thing, Spiritual and temporal, to the peoples of Earth and all life evolving, in, through and around the Earth, since first the Root Manu, Lord Michael and the Holy Innocents came forth from the Heart of God. Your precious breath, beloved ones, carries from focus to focus upon the Earth's surface and into the etheric realms which interpenetrate the Earth, and the very substance of the Earth Itself, the combined blessings of these Divine Beings.

Love and Blessings

THE MAHA CHOHAN

kept the Sun to shine, has kept the centrifugal and centripetal force around this entire System of Worlds, wherein and whereby your Planets are kept in their System; wherein and whereby there has been fed, literally, by His Light and My Own, the energies required to sustain the Silent Watchers over every Planet of this System, to hold the axis of each Planet except that of the Earth in Its perfect orbit, to create the centripetal force to hold within the ten thousand foot level, particularly around the Planet Earth, Our previously called 'orphan' Star, all individuals unascended and all of the Three Kingdoms utilizing the Earth as a School room (Angels, humankind, elementals) so that they did not and do not pollute the harmony of the Higher Spheres.

We have served a long time, beloved ones. It is Our joy, of course, and it is Our privilege to expand Light, Love, Wisdom and Power to sustain Our System, because We know We are on the verge of the return of Our Planets, One by One into Our Own Orbit and then We will take the Initiation to proceed upward into the Planetary Orbit of the Sun God and Goddess, Krishna and Sophia, immediately above Us, taking with Us, those Planets which are ready and bowing before Cosmic Law if dissolution of any Planet in Our System is required. In that category of course comes the Earth. After the energies of Beloved Sanat Kumara, after the energies of Lord Gautama, after the sweet energies of all of the Seraphim and Chernbim and Angelic Host, all of the Elohim, Archangels and Archaii, all of the Beings under the Maha Chohan, His Seven Chohans, all of the Love of the Great White Brotherhood invested in you, the elect, it would be indeed an unpleasant task for the Ascended Master Serapis Bey or El Morya to receive from the Karmic Board a Final, Irrevocable Notice, that the Earth and Her peoples are not ready to proceed, first into the orbit of Uranus, left-ward and then upward into the Love Orbit presently occupied by Venus and Sanat Kumara, the Lord of the Love Star, Venus, even as Lord Gautama is now the Lord of this World.

LOVE.....God Almighty.....may you learn to FEEL IT! Some day, perchance you may be a candidate to be a Sun God or Goddess in a System yet unborn. Some of you, of course, will choose Nirvana; as so many who have victoriously graduated from the Earth have done. Some of you will choose to serve on other Stars in other Systems but We would like to bring Earth Home; Earth and all Her evolutions including the laggards. We know, She is overcrowded. We created Her for only three and a half billion people. We know that She has been burdened by some ten billion lifestreams, not including innumerable imprisoned Angels and laggards, either in embodiment or out of embidiment, or waiting for embodiment. WE KNOW IT! BUT, YOU HAVE KNOWN IT TOO, AND WHY HAVE YOU BEEN VESTED BY MYSELF WITH THE FULL POWER OF MY BEING TO ACT FOR ME IN T IS WORLD OF FORM, WHEN THERE IS YET NOT COGNIZANCE WITHIN YOU OF HOLDING THE IMMACULATE CONCEPT FOR YOURSELF AND FOR YOUR FELLOWMAN!!!

Beloved, when those vestments are removed, as in the case of the God-free Buddhas, Who voluntarily embody, even that brings tears to the eyes of Heaven's Sons, though They voluntarily make that act of removing both Their vestments and Their Divine Memory to come through the Gates of ordinary birth. But when those vestments are removed, although you have been vested with Our Powers and do not utilize them and therefore you are not worthy of such a Cosmic Trust, you shall witness the placing of your own mantles upon others by the Sun Gods and Sun Goddesses of the System, how shall you feel!!! LET IT NOT HAPPEN!!! MY CHILDREN!!!

We shall continue to love you not matter what your life may bring, whether you come Home with the Earth, or take the road to Nirvana, or choose a Star more comfortable to your vibratory action. After all, you are part of Our very Selves, you know, and without you We should not have outposts of Light in this world of form. Although your Light seems dim on occasion, and the storm clouds seem to dim It further, according to the emotional, mental, etheric and physical activities of daily living, this does not mean that that Light is not there. IT IS ALWAYS A PART OF YOUR INNER SELVES, YOUR GOD GIVEN HERITAGE FROM HELIOS AND MYSELF, REMEMBER THAT!

IN THE NAME OF HELIOS AND MYSELF I INVOKE, I INVOKE, I INVOKE, FROM THE HOLY CHRIST

FLAME WITHIN YOUR HEART THE FULL GATHERED COSMIC MOMENTUM OF YOUR LIGHT, LIGHT, LIGHT, LIGHT, LIGHT, LIGHT, LIGHT, LIGHT, LIGHT NOW MADE MANIFEST AND SUSTAINED BY GRACE." (3x)

sweeping through the debris which represents now the Brazilian Forest. Must They hack through that debris, these pure Souls with unsullied hands and with no destructive karma! Must They be among those, the voluntary Buddhas, and Kumaras, born without sin as the beloved Ascended Master Jesus was, Who must use Their hands instead of Their great Spirits to hew away through the pathway of filth and debris, or shall the Calls of those embodied BE ALERT ENOUGH to prepare Their way! You have been told They are coming. There are some already in embodiment - Kumaras, Buddhas and a few of Saithrhu's children. Some are guarded, some are neglected, some have been lost through maliciousness of human beings who knew not of this Law. But be of good cheer, We guard and guide and protect Our Own, and though They walk in filth, and though Their hands are sullied and Their blessed bodies torn, They so fine that They should be enfolded always in an aura of real love. We shall see Them through because They need not have come, you know. They need not have cast aside Their garments of Buddahood and Kumaraship. They of Their Own love and light, willingly before the Blessed Mother Mary's Temple bent Their knees and turned Their garments over to Kwan Yin, had Their beautiful golden hair shorn, the bands of forgetfulness placed around Their heads and Their Master's words 'God be with You til We meet again' as the only remembrance of Their Heavenly Freedom as They were lowered through the natural means of the life-streams available into this world of form.

Do you wonder then why Some, even young in years rememberin; only the Words of Their Ascended Master 'God be with You til We meet again' strain to be over There. Some have already abandoned the vehicles and They won't return....new Buddhas, yes, other Kumaras, perhaps, though I very much doubt if Sanat Kumara again shall allow a Kumara to be embodied on this Earth!

I speak to you seriously because there are those among you who know of some of these lifestreams. They may be treated just as I treat you. Physical contact is not required. I cradle you in My Cosmic Arms throughout every twenty-four hours, waking, sleeping, day or night and I press into your emotional, mental, etheric and physical consciousness your own Immaculate Concept. When you are still enough you feel wise and balanced for a time. Can you do that for One you know Who has made THE SACRIFICE! "I AM" sure you can, for love's sweet sake! Thank you, beloved ones."

of Her Radiation and sends them onward, closer and closer to the Godhead, " I AM". Then it is Our joy to direct back to you, through your Silent Watcher, the Blessings from Our Realm, Blessings so manifold that you know not of them. You are the recipients of the most holy things from God's Kingdom." X

precipitate good for themselves and for all of life. Those who wish to 'play' with precipitation can find many unascended beings who claim this Power but are not developed in its art.

Come in, dear hearts, you will not suffer! You will learn to precipitate and precipitating good, you will be flowers in God's Kingdom! Thank you.

To My Son Confucius, Who speaks little but feels much, I give My love." X
